

WEDNESDAY TALKS

BIORESONANCE

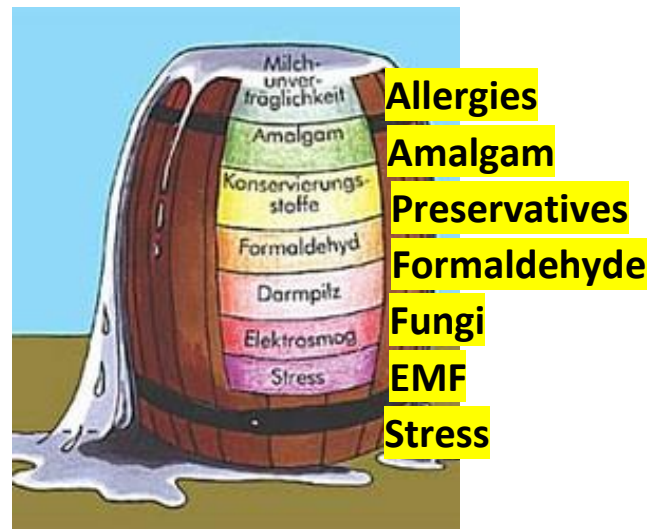

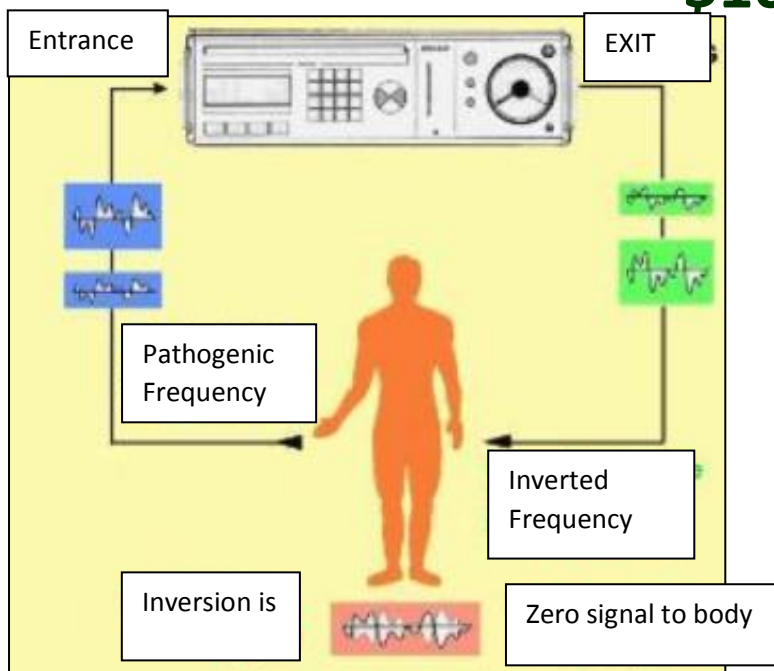

With Bianca Haux – Naturopath

2pm – 3:30pm & 5.30 – 7pm

Wednesday 8th November 2017

At Northland Environmental Health Clinic, Kamo

\$10

What is Bioresonance? It is a therapy with frequencies, first diagnosing with pathogenic frequency which can be detected in single tissues or organs. Then treating the whole body, balancing and supporting it with the frequencies.
